CV

M.Cristina Biella is Associate Professor of Archaeology of pre-Roman Italy at the Sapienza Università di Roma. She has held PostDoc positions at the Universität Heidelberg, and the German Archaeological Institute. She is Research Fellow at the British School at Rome and has been Honorary Lecturer at University College London. She directs the Falerii Project (2020-), the Giovanni Colonna Archive Project on small votive Italic bronzes, and the Interamna Nahars Project (2022-) on pre-Roman Terni. Her main research interests are urbanism, craftsmanship and economic history in pre-Roman Italy, and historical archives.
