

Dr Mujeeb U. Chaudhry

Professor in Organic Electronics

Department of Chemical Engineering

Konya Technical University

Konya, Turkey

Prof Dr Mujeeb Chaudhry concluded his PhD in Solid-State Physics at Johannes Kepler University Linz. He undertook research activities at the University of Queensland, Durham University, Oxford, and Imperial College, Konya Technical University. Currently, he is a visiting professor in Konya, Turkey. He is the author of more than 75 journal articles, reviews, and book chapters. His main area of research covers organic and alternative semiconductor-based optoelectronics, including devices like OLEDs, LEFETs, OFETs, OPDs and OPVs, charge transport and biomedical electronics.
