CV

Gaetano Patrimia is the Innovation & Intellectual Property Manager at ALTFORM, where he coordinates innovation activities, intellectual properties and European collaborative projects. He holds a degree in Aerospace Engineering from Politecnico di Torino and a II Level Master's degree in Industrial Automation. He has more than 10 years of experience in research and innovation management. He has participated in numerous European-funded initiatives in advanced manufacturing and digital transformation. Within the Horizon Europe project WISE, he supports project coordination, dissemination, communication and exploitation activities. He regularly contributes to innovation conferences, industrial events and technology transfer initiatives at European level.
